

Korean Broadcasting System (KBS) is the national broadcaster of South Korea, which operates radio, television and online services.

KBS did a prime time report on Lindian Village, following the CNN article (<http://edition.cnn.com/2014/08/01/travel/greece-alternative-tourism/>) which mentioned the resort as a promoter of alternative tourism in Greece. The report focused on the unique 'Experience Greece' package offered by the resort and especially their iconic Medieval Tour, which brings the history of Rhodes to life.
